AccuPointe, Inc. Acquires Direct 500

MONROE, NC – January 14, 2010 – AccuPointe, Inc. recently announced its acquisition of Direct 500 from Computer Solutions, Inc.

Direct 500, an order management and eCommerce software solution, extends the functionality of Sage MAS 500 ERP with important features geared towards organizations with multiple selling channels. These include call center management, order fulfillment, eStore integration and multi-channel marketing. These additional capabilities provide robust order management and processing, especially in business-to-business and business-to-consumer models.

For over 18 years, AccuPointe, Inc. has developed unique order fulfillment and warehouse management solutions for its customers. “This new relationship will allow us to combine our existing solutions with Direct 500’s capabilities,” said David Brannan, Vice President of Sales and Marketing. “This enables us to provide a more robust solution to Sage MAS 500 customers all across the country.”
